*Disclose dynamic indoor environments
with partial transparency*

Elegant and timeless, Mascaret®'s leaning – or 'gunwale' – waves are available in various styles of perforation to allow degrees of transparency and light filtration depending on weather, time and season. Reveal as much or as little of what lies beyond the Mascaret® façade as you desire.

- Perfect for use as a sunscreen
- Vertical or horizontal installation
- Tailor-made perforation
- Visible fixing

Technical details
